

Resource List for Adopters

Congratulations on the addition of your new family member! As you and your new cat are getting used to each other, you may find you have questions or concerns that were not addressed in the adoption process. Please feel free to call us at 770-499-CATS (2287), ext. 6 or visit our website at www.goodmews.org. We will be happy to offer you advice or encouragement to make this transition as smooth as possible. We also feel that you should have a veterinarian that you are comfortable calling regarding behavioral issues. If you don't yet have a veterinarian in Atlanta, please ask your adoption counselor to provide some names for you.
